

# Candy

## Nat King Cole

Some say that love is sweet as a rose,  
Some say it's honey and the bee,  
Well sit right down and let me tell you  
What my love is to me."Candy"  
I call my sugar "Candy"  
Because I'm sweet on "Candy"  
And "Candy" is sweet on meHe/She understands me,  
My understanding "Candy"  
And "Candy"'s always handy  
When I need sympathy  
I wish that there were four of him/her  
So I could love much more of him/herHe/She has taken my complete heart,  
Got a sweet tooth for my sweetheart  
"Candy"  
Its gonna be just dandy  
The day I take my "Candy"  
And make him mine all mine  
Mine
