

Reach Out

Stretch Arm Strong

Reach out, reachLike a mountain I can't climb
Like a river I can't cross
I beat my head against the wall
The obstacles before me are so tallI'm trying to reach you
I'm trying to reach out
I'm trying I'm trying to reach outWanting to be with you
Will I measure up?
What am I supposed to do?I've never felt this way
These are my darkest days
I feel so far away awayA life of perfection
Constant reflection of what I'll never be
Smothered by your loveSafe in your embrace
Unending devotion
The memory of your face now I know
Now I know meSo, I'm reaching out and I'm hold on
And I'm trying things I had left behindReach out
