Get Into My Heart

The Griswolds

Get into my heart
Get into my soul
Get into my arms
And into my home
Get out of your clothes
And into my bed
Get under the sheets
Never sleep 'til we're deadI try to play it cool
But only act the fool, you see
I'm lacking intimate emotions
And I lack the motivation
I can't be too close to the scene
And I can't been seen
I feel like an insecure little teen
With my golden queen
What
You could see my heart beating faster from the start
This could only tear us apart
You know, this can be fun
But we're too scared to make commitments
Always stay best friends
'Til the end
I'm making amends
And I'm making you plans
So...
Get into my heart
Get into my soul
Get into my arms
And into my home
Get out of your clothes
And into my bed
Get under the sheets
Never sleep 'til we're deadI lie and break the rules
And rarely face the truth, see
I'm good at intimate relations
But lacking close communications
If you could see my eyes
Take a chance and we could try
Love could only tear us apart

Danger can be fun
But we're too scared to make commitments
Always stay best friends
'Til the end
I'm making amends
And I'm making you plans
So...
Get into my heart
Get into my soul
Get into my arms
And into my home
Get out of your clothes
And into my bed
Get under the sheets
Never sleep 'til we're deadWanna play inside your heart and embrace it
Eat your insecurity and reverse it
To feel the love inside your eyes, I deserve it
(I deserve it, I deserve it, deserve it, deserve it, deserve it)Get into my heart
Get into my soul
Get into my arms
And into my home
Get out of your clothes
And into my bed
Get under the sheets
Never sleep 'til we're dead
Get into my heart
Get into my soul
Get into my arms
And into my home
Get out of your clothes
And into my bed
Get under the sheets
Never sleep 'til we're deadGet into my heart
Get into my soul
Get into my arms
And into my home
Get out of your clothes
And into my bed
Get under the sheets
Never sleep 'til we're deadGet into my heart
Get into my soul
Get into my heart
Get into my soul
