

Clap Your Hands

Danzel

I say clap your hands everybody
I say clap your hands come on
I say clap your hands everybody
I say clap your hands come on

Come on , come on , come on

I've got to move on cause it's a Saturday night
(cause it's a Saturday night)everybody around gotta step into the light

The beat is risin'
And the night is still young
You put your hands into the ground
Listen to the sound
Can i see the magic in the air
I say clap your hands everybody
I say clap your hands come on

[x8]

Can you see the image now
Happy make you
Jump around
Jump [x3]
So people clap your hands
C'mon people take the chance
Let the beat control your mind
The others tells me (unknown) to get ready for the flow
Flow your hands up in the air

I say clap your hands everybody
I say clap your hands come on
[x5]

I say everybody, everybody , everybody

I say clap your hands everybody
I say clap your hands come on
I say clap your hands everybody
I say clap your hands come on
Dancin' people around
Happy make you

Jump around
Dancin' people
