

Soldier Side (intro)

System of a Down

Dead men lying on the bottom of the grave
Wondering when Savior comes is he gonna be saved
Maybe you're a sinner into your alternate life
Maybe you're a joker, maybe you deserve to die They were crying when their sons left
God is wearing black
He's gone so far to find no hope
He's never coming back They were crying when their sons left
All young men must go
He's come so far to find no truth
He's never going home Young men standing on the top of their own graves
Wondering when Jesus comes are they gonna be saved
Cruelty to the winner, bishop tells the king his lies
Maybe you're a mourner, maybe you deserve to die They were crying when their sons left
God is wearing black
He's gone so far to find no hope
He's never coming back They were crying when their sons left
All young men must go
He's come so far to find no truth
He's never going home Welcome to the soldier side
Where there's no one here but me
People all grow up to die
There is no one here but me Welcome to the soldier side
Where there's no one here but me
People on the soldier's side
There is no one here but me
