

# Simple Man

## Deftones

Advisory - the following lyrics contain explicit language:

Mama told me when I was young  
Sit beside me, my only son  
And listen closely to what I say  
Oh, if you do this, it will help you some sunny day  
Boy, take your time, dont live too fast  
Troubles will come and they will pass  
To find a woman and youll find love  
And dont forget, son, there is someone up above  
And be a simple kind of man  
Be something you love and understand  
Baby, be a simple kind of man  
Wont you do this, if you can? Forget your lust, rich mans gold  
All that you need is in your soul  
And you can do this if you try  
All that I want for you my son, is to be satisfied  
And be a simple kind of man  
And be something you love and understand  
Baby, be a simple kind of man  
Wont you do this for me, son, if you can? Boy, dont you worry, youll find yourself  
Follow your heart, nothing else  
And you can do this if you try  
All that I want for you my son, is to be satisfied  
And be a simple kind of man  
And be something you love and understand  
Baby, be a simple kind of man  
Wont you do this for me, son, if you can? And be a simple kind of man  
And be something you love and understand  
Baby, be a simple kind of man  
Wont you do this, if you can? And be a simple kind of man  
And be something you love and understand  
Baby, be a simple kind of man
