

Shine (feat. Speakeasy, Aprime & Bobby Drake)

Raze

I've got the answer
I've found the only way
I've got your Love in my soul
I keep believing
in all the things You say
You put the joy in my life all the things that You give to me
I'll be living in eternity
and everything You are
I wanna be I'm gonna let it shine
I'm gonna let it shine
I'm gonna let it shine
I've got to keep on moving
I'm gonna let it shine
I'm gonna let it shine
I'm gonna let it shine
I've got to keep on grooving You never leave me
no matter where I go
I've got Your Love in my soul
and when I see you
you take the night away
you put the joy in my life all the things that You give to me
I'll be living in eternity
and everything You are
I wanna be I'm gonna let it shine
I'm gonna let it shine
I'm gonna let it shine
I've got to keep on moving
I'm gonna let it shine
I'm gonna let it shine
I'm gonna let it shine
I've got to keep on grooving.
