

Party Monster

The Weeknd

[Bridge: The Weeknd]

I'm good, I'm good, I'm great
Know its been a while, now I'm mixing up the drink
I just need a girl who gon' really understand
I just need a girl who gon' really understand
I'm good, I'm good, I'm great
Know its been a while, now I'm mixing up the drink
I just need a girl who gon' really understand
I just need a girl who gon' really understand[Verse 1: The Weeknd]

And I've seen her get richer in the pole
I've seen her, I knew she had to know
I've seen her take down that tequila
Down by the liter, I knew I had to meet her
Ooh, she mine, ooh girl, bump and grind
Ooh, she mine, ooh girl, bump a line
Angelina, lips like Angelina
Like Selena, ass shaped like Selena[Hook: The Weeknd]

I'm like, got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Woke up by a girl, I don't even know her name
(Woke up by a girl, I don't even know her name)
Got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Woke up by a girl, I don't even know her name
(Woke up by a girl, I don't even know her name)[Bridge: The Weeknd]

I'm good, I'm good, I'm great
Know its been a while, now I'm mixing up the drink
I just need a girl who gon' really understand
I just need a girl who gon' really understand
I'm good, I'm good, I'm great
Know its been a while, now I'm mixing up the drink
I just need a girl who gon' really understand
I just need a girl who gon' really understand[Verse 2: The Weeknd]

I've been poppin', just took three in a row
I'm down to do it again, I'm on a roll
I've seen him outside tryna reach her
You tryna leave him, you said I'm the reason
Tell me lies, ooh girl, tell me lies
Say you're mine, I'm yours for the night

I'm the realest, she said I'm the realest
Head be genius, dick game be the meanest[Hook: The Weeknd]
I'm like, got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Woke up by a girl, I don't even know her name
(Woke up by a girl, I don't even know her name)
Got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Woke up by a girl, I don't even know her name
(Woke up by a girl, I don't even know her name)[Verse 3: The Weeknd]
Got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Bitches in my new spot, crowdin' up my space
Had to check the safe, check the dresser for my chains
Got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Bitches in my new spot, crowdin' up my space
Had to check the safe, check the dresser for my chains[Interlude: The Weeknd & Lana Del Rey]
Paranoid (Paranoid)
Paranoid (All paranoid)
Paranoid (All paranoid)
But I see something in you (You're paranoid)
Paranoid (Paranoid)
Paranoid (All paranoid)
Paranoid (All paranoid)
But I see something in you
(I see something in you)[Outro: The Weeknd & Lana Del Rey]
Got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Woke up by a girl, I don't even know her name
Woke up, woke up by a girl, I don't even know her name
Got up, thank the lord for the day
Woke up by a girl, I don't even know her name
Woke up by a girl, I don't even know her name
Woke up, woke up by a girl, I don't even know her name
You're paranoid
