

Waiting on You

Tyrese

I've been waiting all day long
Just to have you here
Girl to let you know
To let you know just how I feel, yeah
Now as much as I love to hear your pretty voice
Tonight it just won't do I need you're love baby
Every bit of your love, so
I won't quit, no
Until you give me all of you Girl I'm here, waiting on you
I'll be here, don't take too long 'cause
Girl I'm here, here waiting on you, oh baby Now any other time
I might be alright just by myself
But what I got in mind tonight baby, ooh
Ooh I sure do need your help (girl I really need your help)
Now I appreciate all the phone calls and the texts, but right now
It just won't do (just won't do) I need you're love baby
Every bit of your love
I won't quit
Baby if I gotta get on one knee and beg
I won't quit, no
'Til you give me all of you Girl I'm here, I'll be patiently waiting woah
I'll be here
Girl I'll be patiently waiting (girl I'm here)
Right here waiting on you, oh baby Baby don't hold back
From a man
What keeps him going strong
I need your love, love, love
Every bit of your love
Girl there's one thing I know for sure
That I'll be here waiting, hmm, oh
Here waiting on you Girl I'm here, I'll be patiently waiting
I'll be here, and I can't wait to get to you baby, oh
Girl I'm here, I'll be waiting on you
Bring that body here
Girl I'm here, baby I don't wanna Facetime I need your face this time oh
I'll be here, don't wanna wait no longer
Girl I'm here, right here, waiting on you Said I'll be right here
Sit down lady
Right here, right here waiting

Talk to me baby
Right here, right here waiting
I'll be right here, I'll be right here
