Vultures

Arch Enemy

Breathing life into these mares where enemies turn into flesh
This is the abyss I fear the most - I feel their eyes staring at meWaiting with carnivorous patience, their memory timeless
For all they know i must succumb sometime...A solemn cry rises to the sky as heavy wings blacken out
The morning sun with infinite darkness. Am I dreaming or am I dead?In search for my heart - lost in this hell
The vultures are soaring above - tearing me apartScreaming voices in my head. A sudden pain then deadly silence
Devouring the remains of my heart - I can feel it dyingPicking at the bones of my soul
Left me dead inside
The more I gave the more they took
Left me dead inside
