Baby, What a Big Surprise

Peter Cetera

Right before my very eyes
I thought that you were only fakin' it
And like before my heart was takin' itBaby, what a big surprise
Right before my very eyesYesterday, it seemed to me
My life was nothing more than wasted time
But here today you've softly changed my mindBaby, what a big surprise
Right before my very eyes
Baby, what a big surpriseJust to be alone
Was a little more than I could take
Then you came to stayHold me in the morning
Love me in the afternoon
Help me find my wayBaby, what a big surprise
Right before my very eyes
Baby, what a big surpriseBaby, what a big surprise
Right before my very eyes
Baby, what a big surprise
