

# Gone But Not Forgotten

Percy Bady

Not a day goes by  
I don't wonder why  
You had to go away  
Still remember that day Every now and then  
Wonder how and when  
We'll ever meet again  
We'll ever touch again But until then you're gone  
But not forgotten I can still hear your voice  
Calling out my name I know  
You're gone, but not forgotten  
I can still see your face,  
And that time can't erase  
You're always in my heart, yes you are  
We'll never be apart though it seems  
The distance is so far away  
I will remember you  
Da da da da da da  
Da da da da da da
