

Heaven

O.A.R.

Eh-oh oh oh, eh-oh oh oh I'm underneath it all tonight
Out my window there's a million lights
Thousand hearts feeling just like me
Man, it feels like Heaven out here in the street
I know I got a lot to learn
Breaking bottles only left me hurt
Play with fire 'til I burn myself
Don't you know that love will bring us somewhere else? So you take the left, I'll take the right
Under arrest, we're under fire
Oh oh oh oh
I don't wanna go to Heaven if I can't get in
You take the low, I'll take the high
You lock the gate, I hear the quiet
Everybody got a problem with the way I live
I don't wanna go to Heaven if I can't get in Maybe I should take my time
And build this life by my own design
With no direction that is in between
Everything I love and everything I need
So bring it back, all I want is understanding
To live my life the way that I planned it
Wouldn't change a thing
Man, it feels like Heaven underneath my feet So you take the left, I'll take the right
Under arrest, we're under fire
Oh oh oh oh
I don't wanna go to Heaven if I can't get in
You take the low, I'll take the high
You lock the gate, I hear the quiet
Everybody got a problem with the way I live
I don't wanna go to Heaven if I can't get in So raise 'em up, raise 'em up
All I ever wanted was a shot at your love
I know, and I believe
Everything we got is everything we need
Oh, love will get you higher
I set my heart on fire
I know, it's what you see
Don't wanna go to Heaven if they don't want me 'Cause I'm no criminal
I'm not your enemy
All I have is life
And I don't wanna go to Heaven if I can't get in So you take the left, I'll take the right

Under arrest, we're under fire
Oh oh oh oh
I don't wanna go to Heaven if I can't get in
You take the low, I'll take the high
You lock the gate, I hear the quiet
Everybody got a problem with the way I live
I don't wanna go to Heaven if I can't get in Oh, yeah, raise 'em up, raise 'em up
Everything you wanted is inside your cup
Drink up
Love will get you higher
Oh, oh, all that your rhythm needs
I never met no criminal
And in the end I'll do it again
I don't wanna go to Heaven if I can't get in Oh, I'm not a criminal
Yeah, I'm no enemy
It's just the way I live
I don't wanna go to Heaven if I can't get in
