Wrapped

Kelly Willis

I didn't have to turn my head whenever you walked in
The only one to let these chills roll down my skin
My heart beats faster I hear your name
I feel my confidence slipping awayThought I was doing fine bout to get you off my mind
I see you face and then I'm wrapped around your pretty little finger againIt feels like ages since you lay down in my arms
I see no good reason still I'm tangled in your charms
My God you're smiling you catch my eyes
My heart is pounding deep insideThought I was doing fine....
[guitar]
Ain't gonna let no man go down without a fight
My stalls and walls look better in the bright daylight
My heart beats faster I call your name
I feel my confidence slipping away
