Sleep With Me

Mark Lanegan

Little girl have I told you
How you light up my life
Come and lay down beside me
Come and thrill me tonight
Do you wanna?I'm not saying I love you
I won't say I'll be true
There's a crimson bird flying
When I go down on youI'm so weary and lonesome
And it's cold in the night
When the path to your doorway
Is a pathway of light[Chorus]
Do you wanna come walk with me?
Do you wanna come walk with me?
If you do baby say it now
Though we'll both wonder anyhow
Do you wanna come walk with me?
Do you wanna come walk with me?
Do you wanna?Little girl have I told you
You're my guiding north star
And my love travels with you
Wherever you areFrom the mountains to the valley
Leave the light on for me
From Virginia to Alaska
From sea to shining sea[Chorus]
