

I Know Jesus Will Always Be There

Smokey Mountain Gospel Singers

I know Jesus will always be there

tho the days may be long
and the trials are grave
and the burdens are too much to bear

tho the storm clouds are gathering
and the darkness is neigh
I know Jesus will always be there

(chorus)

I know Jesus is walking close beside me
thru the darkest night I feel his mighty hand
I find strength in him to carry on
to face tomorrow's task
I know Jesus will always be there

when the plans I've made have crumbled
and things have turned out so wrong
with a broken heart I go to him in prayer

and then he tells me that he loves me
and he'll go with me all day long
when I need him most I know he will be there

repeat chorus and again
