Attitude

Alex Dimou

Kid's kind of dirty and a light on you
But talk, talk, talk is all you can do
You want to know how to play a game of show and tell
But you're just not getting off on yourself
When you got to get a message through
It's not what you do
It's your attitude
And there is nothing stopping you
It's not what you do
It's your attitude
You got to get off on yourself
And give them that attitude
You got shrink wrap rap and a prefab smile
Too much substance, not enough style
You got your new age voodoo, but that won't help
'cause you're just not getting off on yourself
When you got to get a message through
It's not what you do
It's your attitude
And there is nothing stopping you
It's not what you do
It's your attitude

So you got to get off on yourself
And give it the attitude
Now that you're ok and I'm ok
Decide to have it out or to get away
If I didn't believe every word I say
I wouldn't be the man that I am today
It ain't no secret, it don't take money
So give it to yourself, in a way it's funny
Just try to do right, and it comes right through
Don't care about the don'ts and do's
If you want to get a message through
It's not what you do
It's your attitude
And there is nothing stopping you
It's not what you do
It's your attitude

You got to get off on yourself, stay up on yourself
Get yourself an attitude
It's the way you walk and the way you talk
And the way you do everything you do
You got the attitude
