Inside

Omarion

You got the power long as you want it
Long as you got me insideYou got the power long as you want it
Long as you got me insideGirl are you crying? Your moaning like that body is dying
Be only lonely, thoughts your body's ever know, oh
Girl we've been doing since so long
My voice is almost gone
But if you need girl I can help you breathWe can go on and on, on all night
It's worth the sacrificeYou got the power long as you want it
Long as you got me inside, got me insideYou give your arms no denied
You speed it and your body made it slow it downGirl we can do it for so long
And every morning so soft
Girl when your eyes are closed
My love will help you see
We can go on and on, on all night
It's worth the sacrificeYou got the power long as you want it
Long as you got me inside, got me insideWe can go on and on, on all night
It's worth the sacrificeYou got the power long as you want it
Long as you got me inside, got me insideYou got the power long as you want it
Long as you got me inside, got me inside
