Bruno Mars

She Got It She Looking Good
Im Just Watching Her MoveShe Walks On In With Her Red Dress On
Her Lips As Bright As The Sun
Her Curves Goes Every Which Way
She Got Skin Like Porcelien
The Way Her Hair Falls Down Her Back
And It Accents Her Tattoo?
(Are You Talking To Me?)
The Way Her Hair Falls Down Her Back
And It Accents Her Tattoo?
Her Legs Just like A Supermodel

And She Dont Wanna Dance With Anyone Let Her Do What
She Do
She Got Every Single Guy In The Club Just Watching Her
