

What Do You Mean?

Vic Chesnutt

Like a puppy on a trampoline
What do you mean?
Like a puppy on a trampoline
What do you mean?
Like a puppy on a trampoline
What do you mean?
BewilderedWe heard you laughing
What do you mean?
We heard you laughing
What do you mean?
We heard you laughing
What do you mean?
Felicity
It is a vibration
It moves in a wave
You are a surfer on that clarion toneI hope so
We know so
I hope so
We know so
I hope so
We know so
I hope soLike a salmon headed up a stream
What do you mean?
Like a salmon headed up a stream
What do you mean?
Like a salmon headed up a stream
What do you mean?
Ambivalent
We heard you whistling
What do you mean?
We heard you whistling
What do you mean?
We heard you whistling
What do you mean?
