# Hell If I Know

## Chase Bryant

Why the red sunset
Turns blue sky black?
Why fast lane feel so slow and a slow kiss feels so fast?
Why the years roll back
With the right perfume?
How the first time that I saw you it felt like dÃ©jÃ vu?Hell if I know
Why the stars align
Getting lost in your eyes and a Friday high
Never gets old when the Rock 'n' Roll on the radio knows
Just how to make you slide close
Why a girl like you
Chose a guy like a me
And everything I got
Is everything you need
Why you even said hello
Hell if I know
Hell if I know
Why an ice cold beer
Is fire on your lips?
Why everything thing looks better hanging off of your hips?
Why a roof top rain
It makes you want to dance?
Why God gave guys like me a second chance?Hell if I know
Why the stars align
Getting lost in your eyes and a Friday high
Never gets old when the Rock 'n' Roll on the radio knows
Just how to make you slide close
Why a girl like you
Chose a guy like a me
And everything I got
Is everything you need
Why you even said hello
Hell if I know, oh oh
Hell if I know, oh oh
Ah
Oh, yeahThe more I live
The more I know
That I all I know
All I know isHell if I know

Why the stars align
Getting lost in your eyes and a Friday high
Never gets old when the Rock 'n' Roll on the radio knows
Just how to make you slide close
Why a girl like you
Chose a guy like a me
And everything I got
Is everything you need
Why you even said hello
Hell if I know, oh oh
Hell if I know, oh ohOh, yeah
WoohAnd everything I got
Is everything you need, yeah
Hell If I know
