# Crawling Back

## Roy Orbison

Only you and no one else
Can keep me crawling back
You know I can't help myself
And now I'm crawling backAfter all you've done to me
The times you've turned me down
I still will be your clown because I love you
I'm crawling backYou know I would die for you
Heaven knows how I have cried for you
But what else can I do? But crawl on back to you, ooh
Crawling back to youPeople stop, they talk and they stare
But they don't know that you really care
That you're only lonely and making believe
And you need me around when the world turns you down
