

Black Out Days

The Phantograms

Hide the sun
I will leave your face all of my mind
You should save your eyes
Thousand voices howling in my head
Speak in tongues
I don't even recognize your face
You were the one
Tell me all the ways to stay awake
Oh, yeah yeah
Oh, yeah yeah
And stay ow yeah yeah yeah
Ow yeah yeah yeah
Ow yeah yeah yeah
Dig a hole
Fire words exploding in my hands
If I could plait the sky
All the stars would shine up in red
Oh, yeah yeah
Oh, yeah yeah
And stay ow yeah yeah yeah
Ow yeah yeah yeah
Ow yeah yeah yeah
And stay ow yeah yeah yeah
Ow yeah yeah yeah
Ow yeah yeah yeah
And stay ow yeah yeah yeah
Ow yeah yeah yeah
Ow yeah yeah yeah
Luck old days
I don't recognize you anymore
