

What Am I Worth

George Jones

I know mamma loved me
I reckoned that dad
Thought I was a pretty good kid
I've been blamed but I'm not ashamed
Of a couple of things I did
I learned the golden rule
Before I started to school
Like every little young should do
But what am I worth on God's great earth
If I'm not worth nothing to you
What am I worth here on earth
Darling, if I can't have you
I just can't find no peace of mind
With anything that I do
I don't know why you made me cry
Honey, won't you give me a clue
What am I worth on God's great earth
If I'm not worth nothing to you
I might get sent to be president
If I'm sure I could do it for you
They would feature my face all over the place
For all the good thing I do
I might get my name in the hall of fame
Or even in the book of who's who
But what am I worth on God's great earth
If I'm not worth nothin' to you
What am I worth here on earth
Darling, if I can't have you
I just can't find no peace of mind
With anything that I do
I don't know why you made me cry
Honey, won't you give me a clue
What am I worth on God's great earth
If I'm not worth nothing to you
