

Liquid Jesus

Wet Hair

Wash me over, wash me down
I wanna get saved, baby
Oh liquid Jesus
Wash me over, wash me down
I wanna get saved, baby
Oh liquid Jesus
I feel something coming over me
You and I were meant to be lovers
I've been praying
For the day that you would come to set me free
It's finally over
You have released me, baby
Now we can fall in love and be reborn
For all the world to see
Wash me over, wash me down
I wanna get saved, baby
Oh liquid Jesus
Wash me over, wash me down
I wanna get saved, baby
Oh liquid Jesus
I want to spend all eternity
Loving you my darling
It would be ecstasy
Pure emotion
Harmonic sounds

Tasting all the life in all it's majesty
If you want it
I wanna give it baby
I wanna give you something that you only thought was fantasy
Wash me over, wash me down
I wanna get saved, baby
Oh liquid Jesus
Wash me over, wash me down
I wanna get saved, baby
Oh liquid Jesus
Wash me over, wash me down
I wanna get saved, baby
Oh liquid Jesus

Wash me over, wash me down
I wanna get saved, baby
 Oh liquid Jesus
 If you want it
 I want to give it, baby
I wanna give you something that you only thought was fantasy
Wash me over, wash me down
I wanna get saved, baby
 Oh liquid Jesus
Wash me over, wash me down
I wanna get saved, baby
 Oh liquid Jesus...
