

Still In Love

112

Oh, listen to me girl, as I take the time
To tell you how I feel, yeah yeah
In spite of what you feel
You really need to know, my love for you is real
For everything you've done to hurt me in the past
I'll forgive you, yes I will
Just know that I'm still in love with you
Baby I'm still
Baby I'm still in love, said I'm still in love with you
In spite of the things that you put me through
Said I'm still in love with you
Baby I'm still in love, said I'm still in love with you
And there's nothing I would not do for you
That's why I gotta let you know
That I am still in love with you
With you, with you, ah yeah
Verse two, verse two, verse two
Look in to my eyes
I know that you can see my sincerity, oh yes
If you could hear my heart
It would say to you, how much you mean to me
Ooh girl I gotta take this time
Gotta let you know, how I really feel baby
Just know that this love, I have for you is real
Oh
Baby I'm still in love, said I'm still in love with you
In spite of the things that you put me through
Said I'm still in love with you
Baby I'm still in love, said I'm still in love with you
And there's nothing I would not do for you
That's why I gotta let you know
That I am still in love with you
With you
Girl I'm still in love with you
Girl I'm so in love with you, oh
It should not be hard for you to see
Baby that your love belongs to me
Please don't be afraid to trust your heart

'Cuz it will lead you next to me
(Oh, it doesn't matter what I have to do, ooh)
Anything it takes, I'll do for you
Baby just to show you, my love is true
(Show you)
Baby I'm still in love, said I'm still in love with you
In spite of the things that you put me through
Said I'm still in love with you
Baby I'm still in love, said I'm still in love with you
And there's nothing I would not do for you
That's why I gotta let you know
That I am still in love with you
Baby I'm still in love, said I'm still in love with you
In spit of the things that you put me through
Said I'm still in love with you
Baby I'm still in love, said I'm still in love with you
And there's nothing I would not do for you
That's why I gotta let you know
That I am still in love with you
Ooh yeah
Girl I love you
(I love you)
I love you
