

I Spy

Guster

Advisory - the following lyrics contain explicit language:

We went down to the May parade
Mumbled words under my breath
There is something I've been meaning to do
I am dying to tell you
I've been so damned tiredIt went down at the May parade
Bitter words under my breath
There is something I've been dying to do
I was meaning to tell you
I've been so damned sad'Cause I spy something wrong
You don't know how far you've gone
Or recognize who you've become
How'd you grow to be so hard
Sick of playing my partWe went down at the May parade
Alcohol under my breath
There is something I've been meaning to do
I am dying to tell you
I've been so damned sad'Cause I spy something wrong
You don't know how far you've gone
Or recognize who you've become
When'd you grow to be so hard
Sick of playing my part
