

# On Top Of Your World

## Sahara Hotnights

Bang, banging the door  
I just have to get out  
Sweet talk 'til I'm bored  
Stop killing my time  
You're way up in the air  
Always flashing around  
It's all making me sick  
But looking good from above  
Here comes the first attack  
Five fingers to black it out  
There's no turning back  
I'm proud to say  
I'm paying the price  
I'm on top of your world  
Once and for all and forever to be  
The one on top of your world  
I know you're out of the game  
Start spreading the word right now  
Deep deeper and down  
Doing all that I can  
Working harder than hard  
Still you don't understand  
Every word that I speak  
All the things that I do  
Got a problem with that?  
Got a problem with you!  
Here comes the first attack  
Five fingers to black it out  
There's no turning back  
I'm proud to say  
I'm paying the price  
I'm on top of your world  
Once and for all and forever to be  
The one on top of your world  
I know you're out of the game  
Start spreading the word right now  
Saying it's good to be back  
Making it hard to forget  
Give in  
Get out  
This time I'm on top of your world  
Once and for all and forever to be  
The one on top of your world  
I know you're out of the game

Start spreading the word right now
