

Can't Get the Best of Me

Cypress Hill

Hell nah, you can't handle a man of my superior strength
I've been rockin' for years, now it's time to go to length
Bitin' emcees in their tracks I stop em'
My rhyme style make em' turn dropperMy concepts come sick like Dennis Hopper
I jack fools up and stick em' like dirty coppers
Like I said before, I'm takin' you lane of whores
Down to the phone, knock his ass on your good ballsOnly one way to deal with these softies
Take they ass out like heroes and they flossin'
And when you test me you better bring styles
'Cause mine can go on and on and on for milesYou can't get the best of me
Can't get the best of me
You can't get the best of me
Can't get the best of me
You can't get the best of me
Can't get the best of me
You can't get the best of me
Can't get the best of meYou can't get the best of me
(You can't hold me down)
Can't get the best of me
(You can't hold me down)
Can't get the best of me
(You can't hold me down)
Can't get the best of me
(You can't hold me down)
Can't get the best of me
(you can't hold me down)Five roll with the weakest
What you need is, the chrome plated heater
So you can peep this, tragedy had to be in your mind soakin' in
Sad to see you broken down, not at least broken inCan't stop some Hill shit from comin' through
The reality is out with the old, and with the new
Ways and things change, with strange huids of braids shade
Switch place life and life plays with thumb payDoes and untrues, the mule leaves no clues
In the dark confused, we choose to eat you
Out the whole stroke away so I can listener
We don't stop if you can, fuck commissionerYou can't get the best of me
Can't get the best of me
You can't get the best of me
Can't get the best of me
You can't get the best of me

Can't get the best of me
You can't get the best of me
Can't get the best of me You can't get the best of me
(You can't hold me down)

(You can't hold me down) Nigga get up on a rhymin' apparatus
Takin' out crews who think they are baddest
Mad dog sen for real is the maddest
Fuck you punk and your "A" and "R" status I stay in a zone though I'm never alone
"B Real" got my back checkin' at your dome
So when it comes down to who's [foreign content]
I'm down for the pound and slangin' the [foreign content]
[foreign content] I break [foreign content] Gonna make a move and smoke your fuckin' hot show
Remove that sucker and that wack-ass shit
'Cause every time I see he's actin like a bitch
So let's get it straight I smoke the competition
Breakin' down fools in my motherfuckin' mission
One by one they'll all come out missin'
You can't fuck with this here kid I ain't bitchin' (You can't hold me down)
You can't get the best of me
(You can't, you can't hold me down)
Can't get the best of me
(You can't, you can't hold me down)
You can't get the best of me
(You can't, you can't hold me)
Can't get the best of me
(You can't, you can't hold me down)
You can't get the best of me

Can't get the best of me
(You can't, you can't hold me down) You can't get the best of me
(You can't, you can't hold me)
Can't get the best of me
(You can't, you can't hold me down)
You can't get the best of me
(You can't hold me)

(You can't hold me down)
You can't get the best of me
(Can't hold me down)
