

Stand Up Comedy

U2

Love love love love love
Love love love love love I got to stand up and take a step
You and I have been asleep for hours
I got to stand up
The wire is stretched in between our two towers
Stand up in this dizzy world
Where a lovesick eye can steal the view
Im gonna fall down if I cant stand up
For your love Love love love love love Stand up, this is comedy
The DNA lottery may have left you smart
But can you stand up to beauty, dictator of the heart
I can stand up for hope, faith, love
But while Im getting over certainty
Stop helping God across the road like a little old lady Out from under your beds
Cmon ye people
Stand up for your love Love love love love love I gotta stand up to ego but my egos not really the enemy
Its like a small child crossing an eight lane highway
On a voyage of discovery Stand up to rock stars, Napoleon is in high heels
Josephine, be careful of small men with big ideas Out from under your beds
Cmon ye people
Stand up for your love Love love love love love God is love
And love is evolutions very best day Soul rockin people moving on
Soul rockin people on and on
Cmon ye people
Were made of stars
Cmon ye people
Stand up then sit down for your love Love love love love love
Love love love love love
