

# Black Rainbows (feat. Stefanie King Warfield)

## The Crystal Method

{Dresden + Johnston Remix}she turned her head away  
he said everything is fine  
with a dark and heavy heart  
she danced with her head down  
danced with her head downshe turned her head away  
he said everything is fine  
with a dark and heavy heart  
she danced with her head down  
danced with her head downif I'm falling in love  
is this how it could be  
i don't want us to come downblack rainbow sky  
lights go live  
hearts in our eyes  
all is sweetness and lightshe turned her head away  
he said everything is fine  
with a dark and heavy heart  
she danced with her head down  
danced with her head downshe turned her head away  
he said everything is fine  
with a dark and heavy heart  
she danced with her head down  
danced with her head downif I'm falling in love  
is this how it could be  
i don't want us to come downi wanna be just like you  
tell all the world leave me behind  
fill this world and make it nice  
it's yours to keep tonighti wanna be just like you  
tell all the world leave me behind  
fill this world and make it nice  
I'm yours to keep tonight
