

Do You Know Where You're Going To

[Tina Arena](#)

Do you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you know Do you get
What you're hoping for
When you look behind you
There's no open doors
What are you hoping for
Do you know Once we were standing still in time
Chasing the fantasies
That filled our minds
You knew how I loved you
But my spirit was free
(M. Masser and G. Goffin) Do you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you know Do you get
What you're hoping for
When you look behind you
There's no open doors
What are you hoping for
Do you know Once we were standing still in time
Chasing the fantasies
That filled our minds
You knew how I loved you
But my spirit was free
Laughin' at the questions
That you once asked of me Do you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you know Now looking back at all we've planned
We let so many dreams
Just slip through our hands
Why must we wait so long
Before we'll see
How sad the answers
To those questions can be Do you know where you're going to
Do you like the things that life is showing you
Where are you going to

Do you knowDo you get
What you're hoping for
When you look behind you
There's no open doors
What are you hoping for
Do you know
That you once asked of meDo you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you knowNow looking back at all we've planned
We let so many dreams
Just slip through our hands
Why must we wait so long
Before we'll see
How sad the answers
To those questions can beDo you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you knowDo you get
What you're hoping for
When you look behind you
There's no open doors
What are you hoping for
Do you know
