Whut

Insane Clown Posse

You don't like the way I am
You don't like ICP and Twiztid
Always with a hatchet, whut
Fuck You
This the way I amI stay scrubby even though I'm paid, whut
Dropped out in the sixth grade, whut
Had syphaliss three times, whut
Commited mad felony crimes, whut
Been a week I ain't washed my ass, whut
Flunked outta special 'ed class, whut
I'd slap John Gotti right here, whut
Only he's locked up now so nea, whutCarnivals beyond the dead, whut
Still attack you without my head, whut
Scrubatism I'm about, whut
Slappin' baywatch beauties in the mouth, whut
I stomp ghosts that think they hard, whut
Pickin' fights up at the graveyard, whut
You don't like me, I make you sick
Come here and get a mouth full of dick, 'cause I am what I amI be whut I wanna be, whut
I act how I wanna act, whut
I see whut I wanna see, whut
I smack who I wanna smack, whut
I do whut I wanna do, whut
I go where I wanna go, whut
Fuck you, you, you, and you, whut
Forever I'm a Juggalo, whutI'll slap Michael Jackson's face off, whut
I spread herpies everytime I cough, whut
I got head lice in my armpits, whut
I sell nuclear bomb home kits, whut
In church I'll wrestle a nun, whut
Fuckin' twist your nipples then run, whut
I watch my neighbor in the shower
Then waggle my dick for a half an hourI pour percasets in a bowl, whut
And eat 'em like cereal, whut
I be that neighborhood creep, whut
Singin' voodoo chants in my sleep, whut
I put old ladies in head locks, whut
And run with they ass for blocks, whut
I rent studios and don't pay, whut

Come on Shaggy don't play, Mike? I am whut I amI be whut I wanna be, whut
I act how I wanna act, whut
I see whut I wanna see, whut
I smack who I wanna smack, whut
I do whut I wanna do, whut
I go where I wanna go, whut
Fuck you, you, you, and you, whut
Forever I'm a Juggalo, whutYour mama's got a glass tittie wit a screw on nipple, whut
Whut, yo mama live in a two story dorito bag
She got a wooden leg wit a birdhouse in it
Whut, whut, whutI walk around beggin for change, whut
And kill mutherfuckers who look at me strange, whut
Psychopathic down til I die, whut
I'll lite a ciggarette, and put it out on your eye, whut
Smokes until my lungs explode, whut
And punch you and your moms and call your dad a hoe, whut
I don't give a fuck if you hate, whut
Just don't let me catch you hangin' out on my side of the gate, whutTalk to the dead on the phone, whut
If you ain't dead leave me the fuck alone, whut
I call myself a Juggalo, whut
And scream it everywhere that I go, Juggalo
Twiztid serial killaz commin' to town, whut
Dark Carnival and down with the clown, whut
Twiztid freekshow wickid clown bizzar, whut
Check yourself 'cause we are who we are bitch, whutI be who I wanna be
I act how I wanna act
I see what I wanna see
I smack who I wanna smack
(Mike get the guitar)
I do what I wanna do
I go where I wanna go
Fuck you, you and you
Forever I'm a JuggaloI be whut I wanna be, whut
I act how I wanna act, whut
I see whut I wanna see, whut
I smack who I wanna smack, whut
I do whut I wanna do, whut
I go where I wanna go, whut
Fuck you, you, you, and you, whut
Forever I'm a Juggalo, whutI be whut I wanna be, whut
I act how I wanna act, whut
I see whut I wanna see, whut
I smack who I wanna smack, whut
I do whut I wanna do, whut
I go where I wanna go, whut

Fuck you, you, you, and you, whut
Forever I'm a Juggalo, whutI be whut I wanna be, whut
I act how I wanna act, whut
I see whut I wanna see, whut
I smack who I wanna smack, whut
I do whut I wanna do, whut
I go where I wanna go, whut
Fuck you, you, you, and you, whut
Forever I'm a Juggalo, whut
