# Disturbia

## Halloween Tricksters

What's wrong with me?
Why do I feel like this?
I'm going crazy now
No more gas, in the rig, can't even get it started
Nothing heard, nothing said, can't even speak about it
All my life on my head, don't wanna think about it
Feels like I'm going insane, yeah
It's a thief in the night to come and grab you
It can creep up inside you and consume you
A disease of the mind, it can control you
It's too close for comfort
Put on your brakelights, you're in the city of wonder
Ain?t gon? play nice, watch out you might just go under
Better think twice, your train of thought will be altered
So if you must falter be wise
Your mind?s in disturbia, it's like the darkness is light
Disturbia, am I scaring you tonight?
Disturbia, ain?t used to what you like
Disturbia, disturbia
Faded pictures on the wall, it's like they talking to me
Disconnecting on calls, the phone don?t even ring
I gotta get out or figure this sh** out
It's too close for comfort, oh

It's a thief in the night to come and grab you
It can creep up inside you and consume you
A disease of the mind it can control you
I feel like a monster, oh
Put on your brakelights, you're in the city of wonder
Ain?t gon? play nice, watch out you might just go under
Better think twice, your train of thought will be altered
So if you must falter be wise
Your mind?s in disturbia, it's like the darkness is light
Disturbia, am I scaring you tonight?
Disturbia, ain't used to what you like
Disturbia, disturbia, disturbia
Release me from this curse I'm in
Trying to maintain but I'm struggling
If you can't go-o-o

I think I'm gonna ah, ah, ah, ah
Put on your brakelights, you're in the city of wonder
Ain?t gon? play nice, watch out you might just go under
Better think twice, your train of thought will be altered
So if you must falter be wise
Disturbia, it's like the darkness is light
Disturbia, am I scaring you tonight?
Disturbia, ain't used to what you like
Disturbia, disturbia
