

# Les bicyclettes de Belsize

## Engelbert Humperdinck

Turning and turning the world goes on  
We can't change it, my friend  
Let us go riding now through the days  
Together to the end, till the end  
Les bicyclettes de Belsize  
Carry us side by side  
And hand in hand we will ride  
Over Belsize  
Turn your magical eyes round and around  
Looking at all we found  
Carry us through the skies  
Les bicyclettes de Belsize  
Spinning and spinning the dreams I know  
Rolling on through my head  
Let us enjoy them before they go  
Come the dawn, they all are dead  
Yes, they're dead  
Les bicyclettes de Belsize  
Carry us side by, by side  
And hand in hand we will ride  
Over Belsize  
Turn your magical eyes round and around  
Lookin' at all we found  
Carry us through the skies  
Les bicyclettes de Belsize
