

Real Real Real

Jesus Jones

I think I know what you mean and although it sounds obscene
I will always do my best to understand
You have so many words and your voice is always heard
But who can say they really understand? Real, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to know Well, you say you have a big love and it really sounds like fun
If I knew what it was then I'm sure I'd like to have one
Give me a sign that you feel some emotion Real, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to know Say what you like you know that no one really minds
And if there's nothing to say then
Why don't we all go away? Do you, do you, do you feel real, real? Real, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to know But if there's nothing to say then
Why don't we all go away? Real, real, real, do you feel real?
And if so, I'd like to know
How to feel real, real, do you feel real?
And if so, I'd like to know Do you, do you, do you feel real?
