Be A Man

Socialburn

When you crawl, do you crawl for me?
When you come, oh, do you come for me?'Cause you say you want someone who's devoted
You say you want someone who's not afraid to be strong
You say you want someone, someone not me, not me, no'Cause I don't know what it takes to be a man
Doin' all the things that you said
Now I don't know what it takes to be meAnd I don't know what it takes but I'll try
Tryin' hard like the next guy
All I know is I want to fall in loveWhen you cry, oh, do you cry for me?
When you fight, oh, do you fight to be free?'Cause you say you want someone who's devoted
You say you want someone who's not afraid to be strong
You say you want someone, someone not me, not me, no'Cause I don't know what it takes to be a man
Doin' all the things that you said
Now I don't know what it takes to be meAnd I don't know what it takes but I'll try
Tryin' hard like the next guy
All I know is I want to fall in love, I want to fall in loveWhen you cry, well, don't cry for me
Don't cry for me, don't cry for me, not me, no'Cause I don't know what it takes to be a man
Doin' all the things that you said
Now I don't know what it takes to be me
(I don't know what it takes to be me)And I don't know what it takes but I'll try
Tryin' hard like the next guy
All I know is I want to fall in love
(I know is I want to fall in love)I don't know what it takes but I'll try, I'll try, I'll try
I want to fall in love
