

Ayo Technology

Milow

She work it girl, she work the pole
She break it bown, she take it low
She fine as hell, she about the dough
She doing her thing out on the floor
Her money, money, she makin'
Look at the way she shakin'
Make you want to touch it, make you want to taste it
Have you lustin' for her, go crazy face it
She's so much more than you're used to
She knows just how to move to seduce you
She gone do the right thing and touch the right spot
She'll dance in your lap till you're ready to pop

She always ready, when you want it she want it
Like a nympho, the info, I show you where to meet her
On the late night till daylight the club jumpin'
If you want a good time, she gone give you what you want

Baby, this is a new age, you're like my new craze
Let's get together, maybe we can start a new phase
The smoke's got the club all hazy, spotlights don't do you justice, baby
Why don't you come over here? You got me saying
Ayo, I'm tired of using technology
Why don't you sit down on top of me?
Ayo, I'm tired of using technology
I need you right in front of me

In her fantasy, there's plain to see
Just how it be, on me, backstrokin', sweet soakin'
All imto my set sheets
When she ready to ride, I'm ready to roll
I'll be in this bitch till the club close
What should I do? One thing on all fours
Now that thatshit should be against the law

Different style, different move, damn I like the way you move
Girl, you got me thinkin' about all the things I do to you
Let's get it poppin' shorty, we can switch positions
From the couch to the counters in my kitchen

Baby, this is a new age, you're like my new craze
Let's get together, maybe we can start a new phase
The smoke's got the club all hazy, spotlights don't you justice baby
Why don't you come over here? You got me saying
Ayo, I'm tired of using technology
Why don't you sit down on top of me?
Ayo, I'm tired of using technology
I need you right in front of me

Ooh, she wants it, uh uh, she wants it
Ooh, she wants it, uh uh, she wants it
Ooh, she wants it, uh uh
I got to give it to her
