Under The Ice

Morcheeba

Such a steep slope I had to climb
But you made it easier with your hand in mineInnocence lost long ago
We weren't very old
Still won't let it showYou were my only love
Leading my life
Guiding my heart
There's no way to travel on, now you're goneYou were my only love in life
Now you've gone
I'm undone
And I can't travel onI can't travel on
No, I can't travel on
I can't travel on
I'm undoneIt's like I've been trapped under the ice
Leave me here I'll be alrightNothing to lose
Nothing to gain
Wisdom won with pain
Still won't let it showYou were my only love
Leading my life
Guiding my heart
There's no way to travel on, now you're goneYou were my only love in life
Now you've gone
I'm undone
And I can't travel onI can't travel on
No, I can't travel on
I can't travel on
I'm undoneI can't travel on
No, I can't travel on
I can't travel on
I'm undoneOh, my love's gone
Undone
Can't move onOh, my love's gone
Undone
Can't move on
