Kix

Per Gessle

All around the world you go
All around the world you go
All around the world you go
The more you go
The less you know, hey baby
You'll never stand a chanceAll you're lookin' for is somebody to feed you
All you're lookin' for is something is the air
All you're gettin' are some trash to breathe
The more you leave
The more we love you, baby
Why should you stand a chance?All that you love
All that you need
You came in for kix
All that you love
All that you need
You came here for kixYou're a super accident
You're a major accident
Everybody's tryin' to pay the rent
- "Out she went!"
It's heaven sent, hey baby
You'll never understandAll that you love
All that you need
You came in for kix
You're workin' so hard
On your demand
It's all about kixIt's not that funny, is it?
It's not that funny, is it?
It's not that funny...funny...All that you love
All that you need
You came in for kix
You're workin' so hard
On your demand
It's all about kixAll that you love
All that you dig
You came in for kix
It's all in your head
It's all in your blood
It's all about kix
