

# Hotline Bling

## KIDZ BOP Kids

You used to call me on my, you used to, you used to, yeah  
You used to call me on my cell phone  
Any time you need to talk  
Call me on my cell phone  
Any time you need to talk  
And I know when that hotline bling  
I can only say one thing?  
I know when that hotline bling  
I can only say one thing Ever since I left the city, you  
Got a situation for yourself now  
Everybody knows and I feel left out  
Girl you got me down, you got me stressed out  
'Cause ever since I left the city, you  
Started caring less and goin' out more  
Dancing your heart out there on the dance floor  
Hangin' with some girls I've never seen before You used to call me on my cell phone  
Any time you need to talk  
Call me on my cell phone  
Any time you need to talk  
I know when that hotline bling  
I can only say one thing  
I know when that hotline bling  
I can only say one thing Ever since I left the city, you, you, you  
You and me we just don't get along  
You make me feel like I did you wrong  
Going places where you don't belong  
Ever since I left the city, you  
You got exactly what you asked for  
Running out of pages in your passport  
Hanging with some girls I've never seen before You used to call me on my cell phone  
Any time you need to talk  
Call me on my cell phone  
Any time you need to talk  
And I know when that hotline bling  
I can only say one thing  
I know when that hotline bling  
I can only say one thing You used to call me on my cell phone  
Any time you need to talk  
Call me on my cell phone

Any time you need to talk  
And I know when that hotline bling  
I can only say one thing  
I know when that hotline bling  
I can only say one thing Ever since I left the city
