

# Return To The Morbid Reich

## Vader

Decades went by as the crusades marched on  
Huge army blessed by sanctuary in black  
Guardians of Empire, our Morbid Reich  
Sky-touching castles, dark palaces where Evil never dies(lead Spider)  
(lead Peter)We march again to wipe out the unpure  
All light is threatened by the dark  
Flags smashed by the might  
Ruined and splintered, the age of demise has arrived(lead Peter)  
(lead Spider)
