Raism

Satan, Nazi, Krishna, Straight Edge
Vampire, Headpress, Buddhism, hardcore
Lucifer, pagan, fascism, snowboard
Indians, Kung-fu, metal, Tiamat.How can I deal with your weirdo brain?
How can I deal with your twisted nerves?
Connecting things and tying the knots
you spread confusion in my soul!
Time, law and Beverly Hills
bodies, pain and Fatherland
Vikings, blood and racial soul
Aryan, godless, Internet.
