## Raism

Satan, Nazi, Krishna, Straight Edge  
Vampire, Headpress, Buddhism, hardcore  
Lucifer, pagan, fascism, snowboard  
Indians, Kung-fu, metal, Tiamat. How can I deal with your weirdo brain?  
How can I deal with your twisted nerves?  
Connecting things and tying the knots  
you spread confusion in my soul!  
Time, law and Beverly Hills  
bodies, pain and Fatherland  
Vikings, blood and racial soul  
Aryan, godless, Internet.
