Lollipop

Framing Hanley

She said he so sweet I wanna lick the wrapper
And she, she licked me like a lollipop, like a lollipop
Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps
Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps
Cute little mama had a swag like mine
She even wear her hair down her back like mine
I make it feel right when it's wrong like lyin'
And man she ain't never had a love like mine
Man I ain't never seen an ass like hers
That ****** in my mouth had me loss for words
I told her to back it up like berp berp
I made that ass jump like jerp jerp
That's when she
She licked me like a lollipop, like a lollipop!
Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps
Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps
Won't you get on your knees?
Won't you get on your knees?
Call me so I can make it juicy for you
Call me so I can get it juicy for you
Call me so I can make it juicy for you
Call me so I can get it juicy
Call me so I can come and do it for you

Call me so I can come and prove it for you
Call me so I can make it juicy for you
Call me so I can get it juicy
Shorty wanna thug
Bottles in the club
Shorty wanna hump
You know I like to touch
Your lovely lady lumps
Won't you get on your knees?
