Romance Dance

Boucle Bois

Me and you, nothing to do
What am I gonna do with you?
Go on an' dance, how's the chance
You and I gon' make romance?'Cause that's the kind of rockin' I need
Takes a pinch and a bite and squeeze
Down on my knees
Well come on girl take a chance with me
A good ol' romance dance for meWell I loved my way through the South one day
Runnin' scared all along the way
Wandering, looking to hide
Decided to head for the Mexico lineI had nothing going for me but my shoes
When I ran into this girl from Juarez
Didn't care who or from where I came
Don't matter where in the world you goin'
When it comes to lovin' it's all the same
(All the same)
All the same, and it's so insane
But I can't complainWhat I need to be happy
A pretty girl in a lonely town
What I got to do to you
To get you to do the mess around?'Cause that's the kind of rockin' I need
Takes a pinch and a bite and squeeze
I'm down on my knees
Well come on girl take a chance with me
A good ol' romance, no pants dance for me[Incomprehensible]
mambo
mambo
