

Burning Of The Midnight Lamp

Howlin Rain

The morning is dead and the day is too
There's nothing left here to lead me, but the velvet moon
 All my loneliness I have felt today
It's a little more than enough to make a man throw himself away
And I continue to burn the Midnight Lamp, aloneNow the smiling portrait of you
 is still hanging on my frowning wall
It really doesn't, it really doesn't bother me too much at all
It's just the eh ever falling dust that makes it so hard for me to see
 That forgotten earring laying on the floor
 Facing coldly towards the door
And I continue to burn the Midnight Lamp, all alone
 Burn!
 Yeah, yeah
 Lonely, lonely, lonely
Loneliness is such a drag!So here I sit to face that same old fireplace
 Getting ready for the same old explosion
 Going through my mind
 And soon enough the time will tell
 About the circus in the wishing well
 And someone who will buy and sell for me
 Someone who will toll my bell
And I continue to burn the same old lamp, alone
 Yeah
 Darling, can you hear me calling you?
 So lonely
 Gotto blow my mind
 Yeah, yeah
 Lonely, lonely . . .
