If We Try

Karen Carpenter

I've been living memories
Lost in the warm of your smile
Driftin' through the dreams we used to share
Thinkin' 'bout the times we
spent in love without a care
And wishin' you were there
So darlin' if you
should feel you're lonely tonight
And you need someone next to you to hold you tight
Just call me and I'll be there by your side
Cause we can put that feelin' back inside us
If we try
Summer time was feelin' good
Holdin' the world in our hands
Seemed like what we had was growin' strong
Never even crossed our minds that
love would soon be gone
I guess that we were wrong
So darlin' if you
should feel you're lonely tonight
And you need someone next to you to hold you tight
Just call me and I'll be there by your side
Cause we can put that feelin' back inside us
If we try
So darlin' if you feel you're lonely tonight,
And you need someone next to you to hold you tight
Just call me and I'll be there by your side
(I'll be by your side)
Cause we've got all those memories to guide us
And we can put that feelin' back inside us
If we try
