

Before It's Too Late (Sam And Mikaela's Theme)

Goo Goo Dolls

I wandered through fiction to look for the truth
Buried beneath all the lies
And I stood at a distance to feel who you are
Hiding myself in your eyesAnd hold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our livesAnd the risk that might break you
Is the one that would save
A life you don't live is still lostSo stand on the edge with me
Hold back your fear and see
Nothing is real 'til it's goneAnd hold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our livesSo live like you mean it
Love 'til you feel it
It's all that we need in our livesSo stand on the edge with me
Hold back your fear and see
Nothing is real 'til it's goneHold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our livesAnd hold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our lives
It's all that we need in our lives
It's all that I need in my life
