

# Pearls (Feat. Carlos Santana & Angelique Kidjo)

**Josh Groban**

There is a woman in Somalia  
Scraping for pearls on the roadside  
There's a force stronger than nature  
Keeps her will alive This is how she's dying  
She's dying to survive  
Don't know what she is made of  
I would like to be that brave She cries to the heaven above  
There is a stone in my heart  
She lives a life she didn't choose  
And it hurts like brand new shoes  
And it hurts like brand new shoes There is a woman in Somalia  
The sun gives her no mercy  
The same sky we lay under  
Burns her to the bone Long as afternoon shadows  
It's gonna take her to get home  
Each grain carefully wrapped up  
Pearls for her little girl Hallelujah  
Hallelujah She cries to the heaven above  
There is a stone in my heart  
She lives in a world she didn't choose  
And it hurts like brand new shoes  
And it hurts like brand new shoes
